Dear CHS Community,

We would like to thank all the students, parents & faculty that have contributed their support to our young athletes this inaugural year. The Colgan Sharks Athletic Boosters continues to grow and provide real value to our school community.

Together we are building a financial base that will provide our teams with the funds needed to replace uniforms and equipment, enter tournaments and events and accommodate unforeseen expenses. We strive to provide the CHS community with a positive high school athletic experience.

On behalf of our Board, we thank you for your continued support and look forward to our 2017/2018 school year!

Concessions: A HUGE THANK YOU to all volunteers from the Colgan Boosters Concessions Committee! It is because of each one of you that the grand opening of the Chum Café and our outdoor concessions has been such a success. If you were not able to volunteer this year, we hope you can help next year. Volunteering at the concession stands (inside & outside) isn't only an obligation to your team(s), it helps YOU save money on Colgan Sports. All concession profits are split, based on the percentage of volunteers & shifts worked per team and deposited in your team's account.

Thank you to student concession volunteers who came out to support the very first Colgan Track Classic and earned volunteer hours and a percentage of sales for their sport...pictures on Facebook. **By: Christi Dingus & Karen Gerhart, Committee Co-Chairs**

Spirit Wear: The Colgan Spirit Wear Committee has enjoyed the CHS inaugural year. The response to Colgan Spirit Wear has been bigger and better than we had ever imagined! It has been so exciting to see Colgan Spirit Wear at school events on students, families and faculty. We look forward to introducing new and exciting Colgan Spirit Wear in the 2017/2018 school year.

Ways & Means: BIG THANK YOU to our Sponsors, Donors and Partners for their support! We are working diligently to secure additional sponsors for the upcoming school year and have several prospects, as well as, a possible donor for the awning at the Concessions Window.
